RHYTHMS *of* RAIN

π  
TANISHQ

Listen closely.  
Raindrops race.  
Peacocks aflutter.  
Clouds assemble.  
Lotuses unfurl.

The symphonies of monsoon have set nature into an evergreen waltz. In sync with them, come exquisite natural diamonds, tanzanites, citrines, emeralds and opals to form celebrated designs that are composed to hit all the notes of nostalgia and euphoria.

We invite you to tune into the spirited chorus of raindrops and compose yet another timeless memory bejeweled with fine diamonds and coloured gemstones.

THE SYMPHONY  
OF RIPPLES

## RHAPSODIES BY THE POND

---

Behold the encore of rhythmic raindrops creating ripples on a pond of serene lotuses in this scintillating natural diamond necklace. Illuminating its center is a pear-shaped aqua stone with a halo of Tsavorites and over 13 carats of diamonds cascading across.

## A LOTUS REFRAIN

---

As the rain enamours us with its regal symphony, it also gives way for another phenomenon- the mesmerising bloom of lotuses. Ethereal lies the lotus in that pristine pond setting cascading ripples off, just like the magnificent pink opal ushered by princess-cut diamonds, in gold.

SONGS OF  
MONSOON

## CADENZA OF SHOWERS

The most soulful end to the music of rain showers is when they find their place on lotus leaves. Relive this enthralling moment with our 18-carat gold necklace set crafted with fancy-cut natural diamonds. The beauty lies in the highlight of raindrops with tanzanites and statement oval emeralds encased in a diamond halo.
