WEDDING JEWELLERY

*Amid celebrations she finds herself drawn back to  
the city that's etched into the very core of who she has become.*

*As she walks its streets, she isn't just revisiting the past; she's honouring the city that has moulded her.  
Each corner holds memories, each landmark a chapter of growth, every street an echo of her journey and the countless  
experiences that have woven the intricate tapestry of her life.*

*At this beautiful moment, as she steps into her bridal splendour, we introduce a captivating collection of wedding jewellery,  
inspired by the art of embroidery — a delightful collaboration between Rivaah and Tarun Tahiliani.*

*We map her journey by complementing it with meticulously crafted pieces and skilled artisans dedicating hours  
to weave together gold, diamonds and precious gemstones, embodying the essence of embroidery —  
the opulence of Zardosi, intricacy of Chikankari, vibrancy of Kashida and etherealness of Diamonds,  
symbolising the beauty of weaving life's precious moments together.*

*Memories of the wind  
tousling their hair and the

their aquatic haven.*

that envelope her.*

*The city becomes her  
playground, as she effortlessly  
navigates its avenues,  
capturing the essence of its  
energy. With a heart brimming  
with affection, she knows that  
these drives are not merely a

of solitude and inspiration.  
This was a place where she  
would unleash her soul  
through the strings, pouring  
her emotions into every note.*

*And now, on her return, the  
serenity of the surroundings  
embrace her, the ocean, a  
place of endless inspiration, a  
canvas that is constantly  
changing. A reminder that  
she can always find solace  
and inspiration within this  
secret haven.*

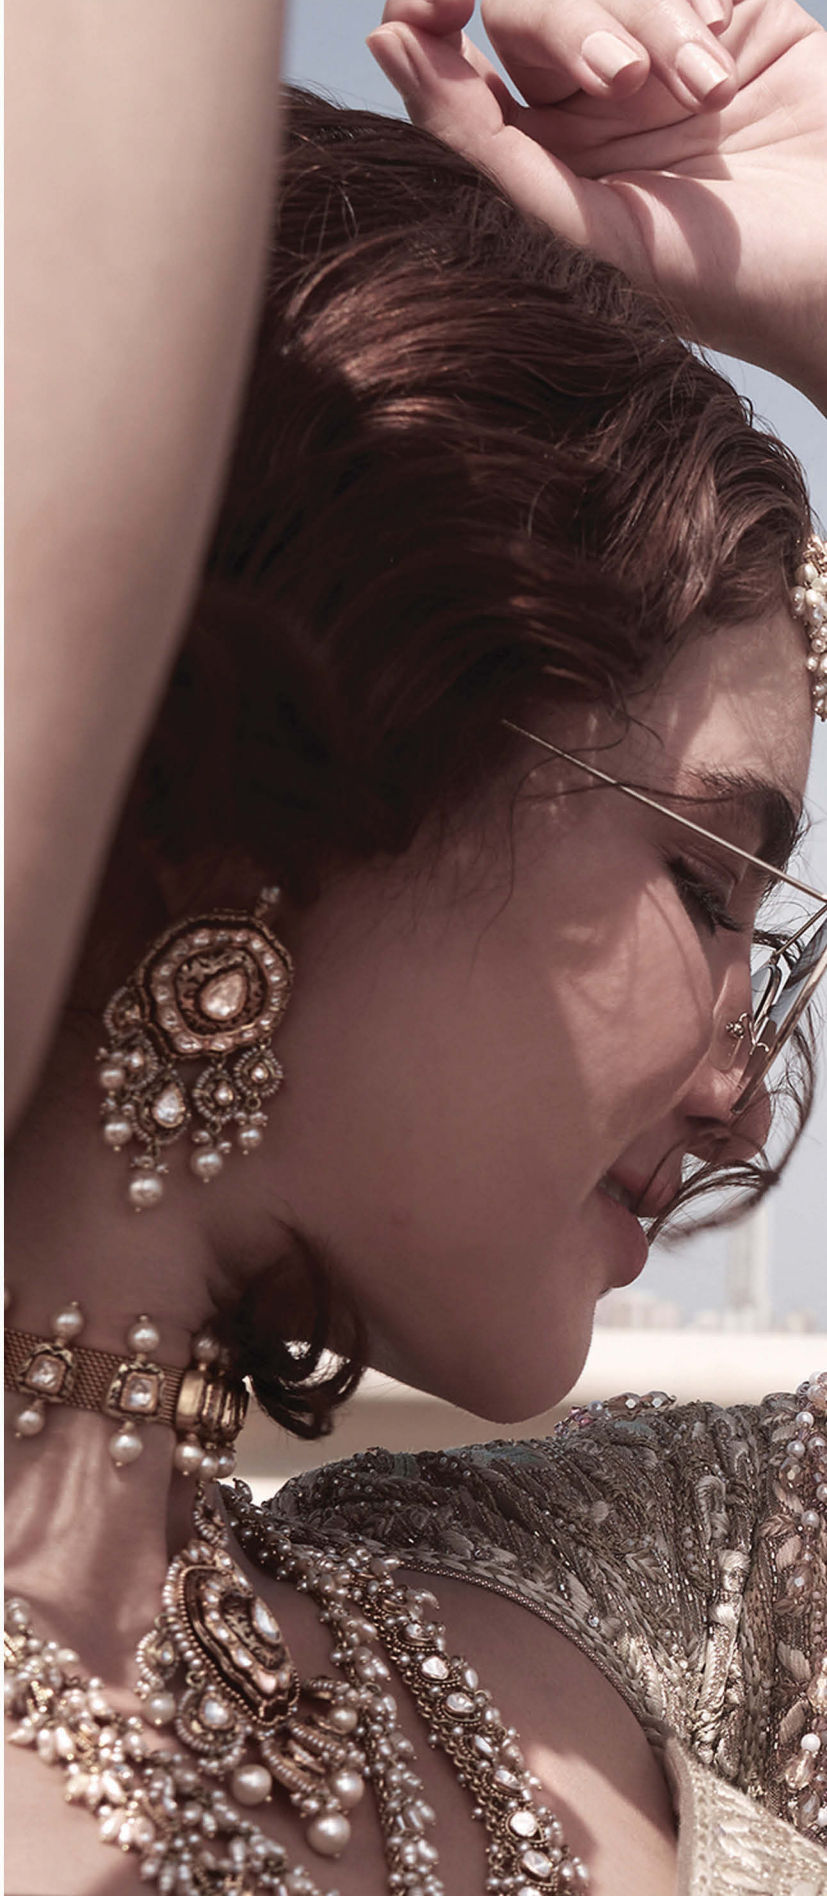

# THE DRIVE THROUGH

*Driving through the city where she grew up, she can't help but feel a sense of nostalgia wash over her.*

*The streets and buildings that once seemed so familiar, now hold a certain charm and beauty that she didn't notice before. She can almost hear the echoes of her childhood laughter and feel the warmth of friendships that have since faded away.*

*The city will always hold a special place in her heart, and she is grateful for this final moment of reflection before she starts a new chapter in her life.*

of her penthouse, she  
knew she had found her  
true home sweet home.  
The panoramic views of  
the city below were a  
constant reminder of the  
life she had built.*

*With the world nestled  
beneath her feet and the  
sky aglow with vibrant  
shades of gold and pink,  
she gazes out at the  
breathtaking view. This  
moment of tranquility and  
intimacy is a balm to her  
soul, filling her with a  
sense of gratitude so  
profound it brings a soft  
smile to her face.*

cityscape, in the soft twilight,  
they raise their champagne flute  
to toast their future, each sip  
bursting with the joy of this  
momentous occasion.*

*As she and her new partner  
reminisce about the cherished  
moments of the day, they are  
grateful for this private moment.
